### SUMMARY

Final-year BCA student with practical experience in full-stack web development using the MERN stack (MongoDB, Express.js, React.js, Node.js). Skilled in building responsive, user-focused web applications with clean and maintainable code. Eager to apply technical skills and contribute to real-world projects through a full-stack development internship in a growth-focused organization.

### TECHNICAL SKILLS

- HTML5, CSS3, JavaScript
- React, Tailwind Css
- Nodejs, Express.js
- MySQL, MongoDB
- Generative ai
- Git & GitHub

### SOFT SKILLS

- Problem-solving
- Communication
- Time Management

### PROJECTS

#### Book Store

- Built a full-stack Book Store web application to allow users to browse and view book listings in real-time using the MERN stack for efficient frontend-backend integration.
- Developed a responsive React UI to fetch and display book data from a backend built with Node.js and Express.
- Focused on clean component structure, API integration, and database connectivity with MongoDB to ensure smooth data flow and user experience.

#### Ai Code Reviewer

- Built an AI-powered code review platform using the MERN stack, enabling users to input and receive feedback on their code instantly.
- Integrated Gemini API for natural language processing, providing intelligent and context-aware code suggestions.
- Achieved a smooth user experience with real-time interactions and clean UI, enhancing usability for developers and learners.

### EDUCATION

#### Bachelor of Computer Applications (BCA)

Bharthi Vidyapeeth, Institute of Management Studies, Navi Mumbai

**Aug 2023- Aug 2026**

Current SGPA: **9.10**

### CERTIFICATES

- **Web Development** - Google Developers Group
- **Advanced React** - Udemy
- **Generative AI** - Google Developers Group
- **Basic Problem Solving** - HackerRank
- **Web Development** - SoloLearn

### ADDITIONAL INFORMATION

- **Languages:** Telugu, English, Marathi, Hindi
- **Awards/Activities:** First Place – Kabaddi Competition, Inter-college Sports Meet, First Place – 100m Running, Annual Sports Day, Participant – NSS Winter Camp (2x)
